Ian M. Johnson
PhD in Social Welfare

Emily Lord
Master of Social Work
2022 AWARDS
The Dennis Lang Award in Disability Studies honors Dennis Lang, a co-founder of the UW Disability Studies Program, for his dedication and service in the creation and growth of the community and program. The award goes to students who embody Dennis' spirited commitment to and academic excellence in the field of Disability Studies.

**Courtney Cole**  
Major in Comparative History of Ideas

**Joyce Lin**  
Major in Design: Interaction Design

**Tiara Schwarze-Taufiq**  
Majors in Public Health and Neuroscience

**Casey Wilson**  
Master of Occupational Therapy
HARLAN HAHN ENDOWMENT AWARDS

The Harlan Hahn Endowment Fund was established by a generous gift to the UW’s Disability Studies Program from the late Harlan D. Hahn, disability activist, political scientist, and disability studies scholar. Awards are given for research, writing, or activist projects that are framed within, aligned with, or informed by the academic field of Disability Studies.

Praise Song for the Body
Camisha Jones

Praise for the body that takes pain and names it survival. That drinks anguish without ruling it bitter. Contains the daggers of sickness and bends them into a good home, a shelter, an escape route. Call this body miracle. Call it sanctuary. Name its ghosts but refuse to believe it is haunted. Refuse to give up on hope and all of its helium, its elevating power to raise this weighted vessel into a thing of light.
